

# **How to Register as a Walker on the NAMI Sussex Walk Team**

## **Walk date: Sat. May 19, 2018 at Seaside Park, NJ**

NOTE: Even if you can't physically walk with us in Seaside Park on May 19, you can be a member of the NAMI Sussex team as a "Virtual Walker" which allows you to raise donations online. For those who do plan to attend the Walk, we will try to arrange carpools.

To get to our Team Webpage, go to: <https://www.namiwalks.org/team/namisussex>

1. Click "JOIN OUR TEAM."
2. If you registered for a previous walk, you can click "Login to your account" and enter your email address and password you used when you set up your account. Otherwise, fill in your first and last names, email address, set up a password, then click "CONTINUE TO NEXT STEP."
3. "Participant type" - "Walker on a Team," Role - "Join a Team," and team - "NAMI Sussex." Click "CONTINUE TO NEXT STEP." Skip to 5 below.
4. For virtual walkers - If you cannot walk on May 19, click "Change" and choose "Virtual Walker." (see NOTE above), then under "Role", click "Join a Team" and "NAMI Sussex" will appear as the team. Click "CONTINUE TO NEXT STEP."
5. Insert your fundraising goal. If you wish, make a donation toward your fundraising goal.
6. Select your t-shirt size. Everyone who raises \$100 or more will get a free t-shirt.
7. Under "Which NAMI affiliate are you walking in support of?", choose "NAMI Sussex."
8. OPTIONAL - Answer how you heard about the Walk, and your birth year. (Don't worry, your birth year won't show up online!).
9. Complete the address information fields.
10. Agree to the terms and conditions.
11. Review what you have entered and then click "Continue to Confirmation."
12. After confirming, instructions appear on how to personalize your page, insert a photo, customize a link, and if applicable, a prompt to pay for your personal donation using a credit card.

You can customize your page link URL (like your first initial and last name). For example, Ava Jones can be customized as <http://www.namiwalks.org/participant/ajones>

**Now you can direct people to your page with your specific webpage URL, or tell them to go to the Sussex team address (see team URL above) and then click on your name listed as a walker.**
